### Support with developing effective partnership with your local business community.

Staffordshire Partnership is pleased to offer a range of services to support your staff in managing and delivering a range of work and enterprise related learning opportunities, as well as activities and challenges for 16-18 year old college students plus school students based with you on part time vocational courses.

Staffordshire Partnership can develop and deliver the following activities and services to suit your individual requirements.

Student Activities	Cost
<p><b>1. Team and Teamwork Day</b> Provide students with a challenging experience that includes problem solving, creativity, co-operation, communication and team work.</p>	<p><b>£400</b> Based on up to 36 students - Additional numbers negotiable</p>
<p><b>2. 'Tomorrow's Managers Today' - A commercially developed Enterprise Challenge.</b> Teams of 6, supported by external facilitators, undertake a practical activity about running a business. Students will achieve the following outcomes:-</p> <ul style="list-style-type: none"> <li>• Gain a better appreciation of the need for essential skills in all aspects of business</li> <li>• Have an awareness of the nature of business, risk and financial planning through experience</li> <li>• Develop an understanding of the variety of roles within business and the importance of teamwork, communication and decision making to success</li> <li>• Recognise, develop and apply their enterprise skills</li> <li>• Enjoy and learn through an exciting, fast moving and challenging activity</li> <li>• Evaluate their role within the activity, their skills development and the outcomes of the challenge.</li> </ul>	<p><b>£800</b> <b>For 1 day's delivery</b> Based on up to 36 students - Additional numbers negotiable</p>
